Technology Review

Significant enhancements to MyOffice24x7 current Smartforms will be released over the coming months. MyOffice24x7 will be holding a series of information sessions across Australia in May and June 2012.

The information sessions will provide an opportunity for small to medium sized businesses, government agencies and local councils to gain information on:

- > How the new SmartForms can benefit your Enterprise
- > Experiences in converting large government organisations from paper based application forms to SmartForm submission and processing
- > How SmartForms can be used to facilitate employee training
- > Using SmartForms turn-key solutions to enable online process automation

Agenda

- > Introduction and Product Overview
- > Cloud - Helping you help your Business
- > Tour of Technical Enhancements
- > Understanding Billing

What if I cannot attend?

If you are unable to attend the information sessions, the content will be available on the MyOffice24x7 website at the conclusion of the sessions.
